### PUBLIC NOTICE – DANDALOO STREET UPGRADE

Narromine Shire Council would like to advise the community that upgrade works will commence on Tuesday 8<sup>th</sup> April 2025 to improve vehicle and pedestrian access to the approaches of the Dandaloo Street Railway Crossing. There will be closures during this

time and traffic management in place throughout different stages of this project. The partial closure of Dandaloo Street may impact parking for some local businesses. For further inquiries, please contact Narromine Shire Council via email [mail@narromine.nsw.gov.au](mailto:mail@narromine.nsw.gov.au) or call 6889 9999.

### **PUBLIC NOTICE – SPEED LIMIT REVIEW**

A speed limit review is underway on Tullamore Road/McGrane Way encompassing the area between the railway line and a point approximately 250m south of the Backwater Cowal culvert. A review has been triggered by three crashes on the bridge in the past 18 months. NSW Transport is assessing the speed limit from the current 80 km/h zone (south of the railway line) to the southern end of the bridge. If approved, the existing 80 km/h zone would be extended by approximately 325m. Given the accident history, high number of heavy vehicles, road curvature and narrow road width, the review will determine the safest speed limit for this section.

### **WATER NOTICE REMINDER**

Water meters have now been read for the Third quarter of the 2024/2025 financial year. Notices for this quarter were issued on 18 March and are due 22 April 2025. There are legal requirements to microchip your pets by a certain age, but did you know you also have to register your pets? Registering your pets can give you the ability to assign and update your pets' details if you move addresses, change contact details or in the case of a change of ownership. **Working dogs do need to be microchipped and registered, though registration is at no charge.** Find out more about keeping your best mate safe by visiting: [www.petregistry.org.nsw.gov.au/owners/microchipping](http://www.petregistry.org.nsw.gov.au/owners/microchipping)
